ADOPTION OF THE AGENDA

The agenda was adopted.

THE SITUATION IN CAMBODIA

The PRESIDENT (interpretation from Spanish): The Security Council will now begin its consideration of the item on its agenda. The Council is meeting in accordance with the understanding reached in its prior consultations.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council strongly condemns the armed attack against a Pakistani platoon and another against a Malaysian platoon of the United Nations Transitional Authority in Cambodia (UNTAC), both on 7 June 1993. In the first incident, two Pakistani personnel were injured, one of them seriously; in the second, three Malaysian personnel were injured, one of them seriously.

"The Security Council takes note of the Secretariat's preliminary report that the first attack was launched against the Pakistani compound by the National Army of Democratic Kampuchea (NADK); the identity of the attackers in the second incident has not yet been determined. It requests the Secretary-General to investigate further and to report urgently to the Council.

"The Security Council demands that those responsible for the attacks cease immediately all attacks against UNTAC and reiterates its warning that it will take appropriate measures against those who are threatening the safety and security of UNTAC personnel and are trying to overturn the democratic process in Cambodia through violence."

(The President)

That statement will be issued as a document of the Security Council under the symbol S/25896.

The Security Council has thus concluded the present stage of its consideration of the item on its agenda.

The Security Council will remain seized of the matter.
